CAREER OBJECTIVE

Motivated Computer Applications graduate with strong foundations in **Full-Stack Development** and **Agile methodologies**. Passionate about solving complex technical problems and contributing to innovative software solutions. Seeking a challenging role in a dynamic tech environment to leverage my programming skills and drive organizational growth.

TECHNICAL SKILLS

Languages: HTML5, CSS3, JavaScript (ES6+), SQL
Frontend: React.js, Tailwind CSS, Responsive Design
Backend & DB: Node.js, Express.js, MongoDB (MERN Stack)
Tools: Git, GitHub, JWT Authentication, REST APIs

TRAINING

MERN Stack Developer Trainee **July 2025 – Nov 2025**
Devex Hub Pvt. Ltd., Mohali

Gained hands-on experience in building full-stack applications using the **MERN suite**. Specialized in **Advanced React.js** and backend engineering while following **Agile workflows** and version control best practices.

PROJECTS

- **GatherGo - Full-Stack Booking Platform:** Built a comprehensive MERN application featuring secure JWT/2FA OTP authentication, an admin dashboard for real-time analytics, and automated email notifications via Nodemailer.
- **Office Task Manager:** Developed a productivity tool using JavaScript and CSS Grid, enabling users to manage daily workflows through a responsive CRUD-based interface.
- **Interactive Professional Portfolio:** Created a personal branding site with a sleek UI, featuring dynamic project galleries and skill visualizations to showcase technical proficiency.
